A TERRIFIC CYCLONE In Clay County, Miss. Great Damage to

Property-Persons Injured.

WEST POINT, MISS, March 11.- Near Palo Alto, Clay county, Miss., on Thursday morning at 6 o'clock, a violent hurricane, accompanied by a torrent of rain lasting about one minute and spreading destruction over a track of country about one quarter of a mile in width, struck the Anderson Dean place,

one and a half miles northwest of Palo Alto, Miss, blew down houses, wounded Henry Quinn, and did other material damage.

Rushing on its destructive fury, the home of R. L. Frankim was next fatally exposed Mr. Franklin himself and nearly every member of his family were more or less in

BUSINESS TROUBLES.

Meeting of the Creditors of the New-comb, Buchanau Company. LOUISVILLE, March 15 .- The meeting of the creditors of the Newcomb, Buchanan Company, at moon to-day, was largely attended by creditors from all parts of the country. Thomas Barrett, president of the Bank of Kentucky, was chairman. A statement was submitted showing the company's liabilities to be \$1,640,000, and assets, \$2,-333,000. G. C. Buchanan showed a surplus of private assets over liabilities of \$375,000; Andrew Buchanan showed a surplus of \$25,-000. The principal features of the proposi-tion submitted were as follows: To pay the secured debts in one, two and three years, at six per cen'.; to pay the unsecured in five years, at six per cent, the dist ling property unsecured debt. On suggestion, Mr. Buch-anan amended the proposition so that the failure to pay any note at maturity made the whole debt due. The proposition that there be two classes of creditors was then submitted to the meeting separately, and it was in each case declared unanimously that it was the sense of the meeting that the propositions should be accepted by all the creditors. A The following is the statement in de-ail: Liabilities-Debts secured by whis-

\$426,889; debts secured by \$240,000; debts secured by real estate, \$127,859; debts secured by real estate, from C. J. Barrow, president of the police jury, West Baton Rouge, says: "We are all right so far, and can hold the fort. Our expenses are over \$1500 per day, and by to-night the funds will be exhausted. The river still continues to encroach upon us at the rate of one and a half inches in twenty-four hours."

iana, delivered the following speech

MR. CHAIRMAN AND GENTLEMEN-YOU LITTLE ROCK, March 15 .- A sensational heretofore sufficiently discussed, but with your permission and approval we will take a journey upon some of the great lines of railroads. Shall it be from Boston to San Francisco? Seven days and seven nights will pass, as the train flees onward, before you hear the ceaseless murmur of the Pacino. Such a journey from Paris, exsiward, would carry us barrond Farmes, except the pass of the kind of the pacino. Such a journey from Paris, exsiward, would carry us barrond Europe and far into Asia. The line would be sold in tout to suit purchasers. Address JOHN G. DIVINE. Thompson & Division sta. Phila.

Of Chicago - Distinguished Democrats

bought for the freasury department that was not paid for by its own commercial CHICAGO, March 15.—The headquarters of They are irresistible in pursuits of peac the Iroquois Club, in Haverly's Theater and invincible in war. Barbarism in Rus the Iroquois Club, in Haverly's Theater building, presented an animated appearance to day—the occasion being the reception in this city, by the club, of a large number of distinguished Democrats from outside the city and a celebration of the day, the 115th anniversary of Andrew Jackson's birthday, by means of a banquet at the Palmer House in the evening. The Iroquois Club is a n-wiy-organiz-d body, and comprises the best Democrats in this city, and this event is its first tormal introduction to the attention of the outside world. The visitors were expected

held, where political question were avoided. I that the sections maintain honorable At 8 o'clock in the evening the club and its guests, including a large number of local Democrats not members of the club, assembled in the large dining room of the Palmer House, which was appropriately decorated, and partook of a superb barquet. The speeches, while necessarily tinged with political matters were in reality not received in the recommendation of the recommen was taken on the subject of the proposed change of rules of the House, and members are left to exercise their individual judgsignificant. During the evening telegrams and letters were read from those who were

invited, but not present.

Hon. Samuel J. Tilden sent the following letter:

and each may securely rely upon the wants of mankind to supply a market. That product which always commands a market is GREYSON, YONKERS, N. Y., March 11, 1862.

GENTLEMEN—I have received your letter with grateful pride we are considering the conveying to me an invitation to attend the banquet of the Iroquois Club in Chicago on the 15th instant, the anniversary of the birth we are astonished that the purest of our of Andrew Jackson, and to respond to the patriots and wiseat of our statemen have extenst, "Democracy." It will not be practicable for me to be present with you on that out of these shall come jealousy and antagoccasion, but I cordible empathize in the oniam. No danger need be expected from

ity of sentiment which had always char-acterized the Democracy, and he mani-fested in a great public crisis his own consolidated and single authority can nevitable determination to maintain the maintain a peaceful government over a critorial integrity of our country and country so extended and with productions he indissoluble union of the States. and interests so varied. If we but maintain He likewise represented the beneficent the constitutional authority of the United Jeff-rsonian philosophy, which prefers that nothing should be done by the general government which the local authorities are competent to do, and nothing by any govern-mental power which individuals can do for may be extended or our productions in
